

Where To Park?

Theater on the Lake is a great venue, but parking can be a challenge. In the past, most attendees have taken an Uber/Lyft or cab, or driven themselves and used the valet service (\$30 cash plus tip). Heavy congestion around the drop-off area is the inevitable result.

A better alternative we hope you'll consider: park at the Lincoln Park Zoo (\$30-40) and take the short 5-minute walk to the venue. It's a great way to avoid the traffic around the entry and enjoy one of the prettiest strolls in the city.
